

**Online International Management Simulation Challenge 2017
Frequently Asked Questions (FAQs)**

1. Question: Who may participate?

Answer: Any English-speaking person from across the globe working with a company or a Business School student may participate.

2. Question: Is it a Team based competition?

Answer: Yes. A team of 2-3 members may form a team. Cross functional teams are encouraged.

3. Question: Is there any fee for participation?

Answer: No. NHRDN Online International Management Simulation 2017 is a goodwill gesture from India on a complimentary basis.

4. Question: What are the dates for NHRDN Online International Management Simulation 2017?

Answer: NHRDN Online International Management Simulation Challenge (IMC) 2017 will be held between 20th July to 27th July, 2017.

5. Question: Do we need to travel to compete or it is available online?

Answer: It is an online competition.

6. Question: Will teams compete on different Business cases or one common business case?

Answer: All the teams will be provided with one common Business Case pertaining to a specific Industry. Each team will be running a virtual company of the Industry to compete against each other in a simulated environment.

7. Question: Who will brief the Teams?

Answer: Games Administrator will brief all the Teams and set the winning criteria. Later, teams will take business decisions related to finance, operation & marketing. The business decisions will be compiled by NHRDN's simulation software.

8. Question: Will teams receive Business Report after every quarter/ round?

Answer: Yes. All teams will be given business reports/results after each round. The decision of one company will impact the other companies as in real life scenario.

9. Question: How we will take decisions in different times zones?

Answer: We provide 24 hours for each round. This covers all possible times zones of the world. All timelines will be mentioned in Indian Standard Time (IST).

10. Question: How many rounds will be played?

Answer: Total 7 rounds. 2 practice rounds and 5 real rounds will be played and in each round new business challenges will be encountered by the teams.

11. Question: Who will be declared the Winner?

Answer: Winner has to have a highest cumulative criterion. Therefore, team with the highest winning criteria at the end of the 5th round will be declared IMC Champions.

12. Question: What is for the IMC Champions?

Answer: IMC Champions will qualify for the Grand Finale of NHRDN 4th Indian Management Simulation Challenge 2017 and compete with other national finalists to win the Prize Money and Trophies.
