A GLOBAL ADDRESS FOR
SECURITY EDUCATION, TRAINING AND RESEARCH

RASHTRIYA RAKSHA UNIVERSITY

Rashtriya Raksha University, an Institution of National Importance, Pioneering National Security and Police University of India, Ministry of Home Affairs, Government of India is established by Act No. 31 of 2020 of the Parliament of India.

The University aims to become an academic-research-training ecosystem for National Security and Policing. Its endeavour is to focus on police education, research, and training through its qualified, committed and motivated human resources, participants and students, intellectually stimulating and professional disciplined environment, and worldwide network. It aims at providing security and strategic education in contemporary and futuristic security and strategic studies and interdisciplinary areas. The University contributes to the vision of Peace, Prosperous and Stable World in alliance with grand strategic cooperation between like-minded nations and promoting greater understanding between internal security officers, military and para-military forces, diplomats, civil servants, and civilians to promote the cause of the Nation. It adopts a two-tier approach, at the national and international levels, in its education, research and training, and extension in order to achieve capabilities to respond to the needs, expectations, and aspirations of the security and strategic institutions and forces as well as law-making, governance, judiciary, economy (agriculture-manufacturing-service sectors) and the civil society organizations.

LIFE@ RRU

Amidst 230 acres of rustic shrubs on the banks of the Meshwo river fencing the Lavad village in west India, the Rashtriya Raksha University (RRU) stands tall as a monumental fortress resembling campus dedicated to educate and inspire sentiments of national security and justice. The RRU campus has been developed into a 21st - century Indian village in and of itself, with world-class infrastructure and state of the art facilities. This pioneering police and national security University of the country devotes great efforts to the holistic development of its students, research scholars, and every member comprising this scholarly community on campus. The peace and tranquillity infused in the atmosphere inside this first of its kind University essentially nourishes the learning minds welcomed here, and that is what we strive to confer upon our students at RRU.

HOSTELS

A fun-filled hostel adds to the liveliness of the campus. The University ensures safe and secured accommodation to over 500 students and research scholars at a time, at affordable monthly charges. All the hostel rooms are equipped with essential facilities for peaceful inhabitation. Dedicated Rectors & Wardens are always present to assist hostellers as and when needed.

CANTEEN

A scrumptiously managed canteen satiates over 500 people every day on the University campus with a range of cuisine to gratify every Indian palate. This culinary comfort may be availed by students and employees alike at nominal monthly charges.

ECO-FRIENDLY CAMPUS

Sustainably structured Schools and Residential Centres, spread across the dense native plantation soothes our minds and urges students to think beyond texts, and inculcate the knowledge learnt into practical skills in their lives. The campus built around the natural course of the winding river instils in us the joy of living in harmony with nature, and with the community at large.

RRU HEALTH CENTER

A healthy body upholds a healthy mind. The medical clinic has been set up with great mindfulness about every possible urgent medical requirement of the RRU family. The medical team comprising a doctor on daily visit and two in-house medical attendants, are dutifully present on campus at all times.

EFFICIENTLY EQUIPPED CLASSROOMS & LABORATORIES

The classrooms of RRU offer a comfortable and cognitively enhanced learning aura. The air-conditioned rooms with audio-visual/digital media system, coupled with advanced laboratories, namely Computer Lab, Machine Learning Lab, Forensic Science Labs, and the likes, leave little room for untapped skills and unquenched curiosities of the students.

HOUR ROUND SURVEILLANCE

With a balanced freedom for all the fun and frolic promised in university life, the common streets and corridors of the campus remain under hour round CCTV surveillance, enhanced with night-vision cameras keeping the authorities informed enough about everyone's safe stay on the premises.

GUESTHOUSE

An air-conditioned guest house with modern facilities is provided on the University campus for a comfortable stay of visiting faculty, academicians and other dignitaries visiting RRU. Accommodation for a short duration is also provided for parents and students, subject to availability and advance notice.

EMPLOYEE HOUSING

RRU provides on-campus accommodation on a payment basis to students, faculty and staff. An off-campus accommodation is also available at Chiloda Circle, Gandhinagar. The quarters are equipped with amenities required for comfortable standards of living.

A CONNECTED CAMPUS

In this era of netizenship and ever-increasing digital connect, 24*7 wi-fi connectivity is maintained on the University campus by the committed tech-team. The most beneficial tech-hack is the privileged access to several e-resources allowed via the RRU wi-fi, a list that is open to suggestion and curation.

DAILY ESSENTIALS

ARCADE

Shops catering to the daily requirements of employees and students living on campus has been established near the staff quarters and hostels.

CRÈCHE

A colourful crèche has been designed are available at proximity to under the caring supervision of a designated babysitter for the children of working parents in the University.

ATM

An ADC Bank ATM has been installed near the residential quarters for easy at hand cash availability on campus.

TRANSPORTATION

The University provides AC and non-AC transportation from various locations along both the Ahmedabad and Gandhinagar routes to and from the University to the main cities nearby, with monthly fare depending on the distance travelled. In addition, the University maintains its own fleet of cars too for official visits and medical emergencies. RRU transportation staff strictly adheres to the principle of no compromise on the safety and security of the people in transit.
